Panaji, 29th October, 1999.

State Election Commission

Before the State Election Commissioner at Panaji-Goa

Complaint No. 1/99(A)

Shri Subhash Kuttikar,
Ribandar, Goa.

— Complainant

V/s

Shri Audhoot S. Naik,
Village Panchayat Se Old Goa,
Old Goa

— Respondent

Shri Aldrin Monteiro

— Advocate for Complainant

Shri Amrut Kansar

— Advocate for Respondent.

ORDER

1. The Complainant, who is the Sarpanch of the Village Panchayat of Se Old Goa has filed this complaint dated the 26th July, 1999 under section 11 of the Goa Panchayat Raj Act, 1994 for an order to disqualify the Respondent from being a member of the Village Panchayat of Se Old Goa. The Complainant states that the Respondent has violated the provisions of section 10 (f) of Goa Panchayat Raj Act and hence stands disqualified.

The Respondent, a member of the said Panchayat has raised preliminary objections to the complaint and stated that the State Election Commission has no jurisdiction to entertain the complaint in view of the judgement of the Hon'ble High Court of Judicature of Bombay, Goa Bench. The Hon'ble High Court has held in Shri Mafaldo Fernandes V/s Shri Kushali S. Kalekar (1996 (2) Goa L.T. (46) para. 10

"on a conjoint reading of section 10 and 11 it can be seen that the incurrance of disqualification on the circumstances enumerated under sec. 10 has to be first decided by the Panchayat and it has to be informed to the concerned member disqualified. If the member disputes the decision of the Panchayat as to his disqualification, then the Panchayat will have to refer the matter to the Election Commission. Therefore, section 11 of the Act becomes clear that the Election Commission will get the jurisdiction only on a reference to the question made to it. Section 11 does not give any party other than the Panchayat or and the person subject to disqualification any right to approach State Election Commission under section 11".

3. The arguments of the parties on the preliminary objections were heard. I do not propose to go into the merits of the complaint at this stage.

3.1 The Advocate for the Complainant argued that section 11 gives power only to the State Election Commission to decide on any disqualification referred to in Sec. 10. The Advocate for the Complainant stated that the State Election Commission is the first authority to decide and the Panchayat has no power to entertain matters relating to disqualification. The Advocate for the Complainant also drew the attention of the State Election Commission to section 55 (3) of the Goa Panchayat Raj Act, 1994, which states;

"All questions shall, unless otherwise specifically provided, be decided by a majority of votes of the members present and voting. The Sarpanch or Deputy Sarpanch or person presiding, as the case may be unless he refrains from voting shall give his vote before declaring the number of votes for and against a question and in the case of equality of votes he may give his casting vote".

The contention of the Advocate for the Complainant was that, questions relating to disqualification were specifically provided under section 11 and hence the Panchayat has no power or choice in such matters. The Panchayat cannot decide the matter by the formal method of "majority of votes". Once the issue/matter of disqualification of a member is brought to the knowledge of the Panchayat or comes to the knowledge of the Panchayat on its own, the concerned Panchayat should refer the matter/issue to the State Election Commission. The Counsel for the Complainant said that since the purpose of the Goa Panchayat Raj Act is to strengthen democracy at the grass roots level, any member of the Gram Sabha/any member of the Panchayat/aggrieved party can make the reference.

3.2 The Advocate for the Complainant stated that the Complainant had referred the matter to the Village Panchayat of Se Old Goa in view of the restrictive interpretation of section 11 done by the Hon. High Court (Shri Mafaldo Fernandes V/s Shri Kushali S. Kalekar). The Counsel for the Complainant brought to the notice of State Election Commission that Village Panchayat of Se Old Goa in a majority decided not to make reference of the disqualification alleged to be incurred by the Respondent. The Counsel for the Complainant was of the view that in instances where a member sought to have incurred disqualification under section 10 belongs to the majority group in a Village Panchayat, no reference would be made to State Election Commission. As a result, section 10 and 11 would be infructuous.

3.3. The Counsel for the Complainant concurred that the Judgement of the Hon. High Court (Mafaldo Fernandes V/s Kushali S. Kalekar) is coming in the way of speedy remedy. The Counsel further pointed out that in the petition of Shri Mafaldo Fernandes V/s Kushali S. Kalekar the scope of section 11 was not a subject matter of the petition and the question of who should make the reference was not under dispute.

3.4. The Counsel for the Complainant was of the view that in case it is held that the reference has to be made by the Panchayat then this is mandatory for the Panchayat. By not making a reference, the Panchayat is in fact deciding the matter of disqualification and this act of withholding reference or deciding by majority not to make reference at all contravenes section 11.

4. The Advocate for the Respondent stated that in view of the judgment of the Hon'ble High Court (Mafaldo Fernandes V/s Kushali S. Kalekar) defining the scope of section 11 and the meaning of "reference to State Election Commission", the State Election Commission is bound by the Order of the Hon'ble High Court and the State Election Commission has no reason to interpret in any other manner. On the pointed question of meaning of reference by Panchayat, the Advocate for the Respondent said that it generally means "by a resolution of the Panchayat". However, the Counsel for Respondent also said that it can mean reference by Sarpanch or Secretary, but the Counsel also said that no such powers have been given to the Sarpanch or Secretary under the Act or Rules.

4.1. The Counsel for the Respondent said that if the Panchayat is not making a reference, it means, it is not carrying out its statutory duties. The remedy against these are provided in the Goa Panchayat Raj Act, 1994 but the Counsel said that the State Election Commission cannot entertain a complaint under section 11 unless a reference is made. In case the Complainant has grievances that the Panchayat is not making a reference than the Complainant can approach other authorities or forums and not State Election Commission.

4.2. The Counsel for the Respondent tried to draw similarity between section 10 and 11 of the Goa Panchayat Raj Act and Articles 102 and 191 or 103 and 192 of Constitution of India which deal with 'disqualification for membership' and 'decisions of question as to disqualification' of members of House of Parliament or House of Legislature of State respectively.

5. I have carefully gone through the arguments of the Counsels for the Complainant and Respondent. I am moved by arguments of the Counsel for the complainant although the Hon'ble High Court has enunciated the scope of "reference to State Election Commission under section 11". The purpose of imposing the parameters by the

Hon'ble High Court is not to interrupt justice and nullify the rigour of section 10. It is definitely not the intention of the Hon'ble High Court to grant premium on members of Panchayats, who incur disqualification. Probably, the High Court did not visualise of situations wherein the Panchayat may withhold reference or decide under brute majority rule not to make reference to the State Election Commission and thereby usurp the power exclusively in the domain of the State Election Commission. I know that I have to read between the lines, the Judgement of the Hon'ble High Court and draw inferences in the interest of fair play and justice.

6. However, my hands are constrained in view of the explicit judgement of the Hon'ble High Court which states that reference can be made only by Panchayat or the aggrieved person. Judicial discipline prevents me from entertaining this complaint. I am bound by all decisions of the Hon'ble High Court, the State Election Commission being a Quasi-Judicial Body has to function under the overall superintendence of the Hon'ble High Court. Hence I have decided to go by the letter of the Judgement of the Hon'ble High Court.

7. Let me also state here that my predecessors have dismissed three petitions on matters of disqualification under section 10/11 of the Goa Panchayat Raj Act through summary orders, without going into the merits of the respective matters in view of the interpretation of the words "it shall be referred" (section 11) by the Hon'ble High Court in Shri Mafaldo Fernandes V/s Kushali S. Kalekar. Before disposing the complaint I wish to mention that the Directorate of Panchayats should move the Government to make suitable amendments to section 11 and specify in clear terms the rules to the Panchayat for making reference. In today's era of liberal justice, the Goa Panchayat Raj Act should provide for a liberal and expanded locus standi in matters of disqualification of people's representatives in Local Self Governing Bodies. I leave this matter to the Directorate of Panchayats and the Government.

8. In view of the above the complaint is dismissed. Inform the Parties.

Prabhakar Timble, Commissioner, State Election Commission.
